**FIRM PROFILE AND RELEVANT EXPERIENCE**

O'Mahony & Myer is a 25-person electrical engineering and lighting design firm based in San Rafael, California. Founded in 1979, the firm provides full service electrical engineering and lighting design services to architects, engineers, interior designers and building owners and specializes in commercial, civic, educational and institutional facilities. O'Mahony & Myer has designed the electrical and/or lighting for numerous retail stores and shopping centers, including expansion of the Strawberry Village Shopping Center in Corte Madera, California and the recently completed Otay Ranch Town Center in Chula Vista, California.
